Beginning of the Season of Lent

Ash Wednesday is always the first Wednesday of the Lenten season and marks the beginning of Lent. It is a season of penance, reflection, and fasting which prepares us for Christ's Resurrection on Easter Sunday, through which we attain redemption. The atmosphere in the Church is quiet and the observance solemn. People reflect on how quickly human life can pass. All are reminded of the need for repentance.

Why we receive the ashes?

Our foreheads are marked with ashes to humble our hearts and reminds us that life passes away on Earth. We remember this when we are told: "Remember man, you are dust, and unto dust you shall return".

Ashes are a symbol of penance made sacramental by the blessing of the Church, and they help us develop a spirit of humility and sacrifice.

Who may receive ashes?

Baptized individuals who have reached the age of reason. Babies and young children who have not yet received the Sacrament of Penance should not be presented to receive ashes since ashes are intended for those who are capable of personal sin. The observance of Ash Wednesday is intended to lead the baptized members of the Church to repentance and renewal of baptismal promises at Easter.

Tradition

The distribution of ashes comes from a ceremony of ages past. Christians who had committed grave faults performed public penance. On Ash Wednesday, the Bishop blessed the hair shirts which they were to wear during the forty days of penance and sprinkled over them ashes made from the palms from the previous year. Then, while the faithful recited the Seven Penitential Psalms, the penitents were turned out of the church because of their sins - just as Adam, the first man, was turned out of Paradise because of his disobedience. The penitents did not enter the church again until Maundy Thursday after having won reconciliation by the toil of forty days' penance and sacramental absolution. Later, all Christians, whether public or secret penitents, came to receive ashes out of devotion. In earlier times, the distribution of ashes was followed by a penitential procession.

The Ashes

The ashes are made from the blessed palms used in the Palm Sunday celebration of the previous year. The ashes are christened with Holy Water and are scented by exposure to incense. While the ashes symbolize penance and contrition, they are also a reminder that God is gracious and merciful to those who call on Him with repentant hearts. His Divine mercy is of utmost importance during the season of Lent, and the Church calls on us to seek that mercy during the entire Lenten season with reflection, prayer and penance.

Ash Wednesday is NOT a Holy Day of Obligation

Holy days of obligation are either commemorations of particular events (e.g., the birth of Christ or the presentation of Jesus in the Temple), particular people (such as Jesus' foster father, St. Joseph), or important theological concepts (such as the Kingship of Christ). Ash Wednesday does not commemorate these; indirectly it commemorates Christ since it is the beginning of preparation for the greater celebrations of Christ's saving work. Although Ash Wednesday is a day of penance (like all of the days of Lent except Sundays, which are feast days no matter when they occur in the liturgical calendar since they celebrate Christ's resurrection), the Church has never chosen to make it or any other specific day the definitive commemoration of the concept of repentance.

Ash Wednesday – is a day of fasting and abstinence

The Church emphasizes the penitential nature of Ash Wednesday by calling us to fast and abstain from meat. Catholics who are over the age of 18 and under the age of 60 are required to fast, which means that they can eat only one complete meal and two smaller ones during the day, with no food in between. Catholics who are over the age of 14 are required to refrain from eating any meat, or any food made with meat, on Ash Wednesday.
